

Public Notice

Request for Qualifications (RFQ) 10-14-W

Public Utility District No. 1 of Douglas County
Request for Qualifications to Furnish
Professional Archaeological and
Cultural Resource Services

Public Utility District No. 1 of Douglas County is requesting qualifications (RFQ) to provide professional archaeological and cultural resource services to meet ongoing and project specific archaeological and cultural resource needs associated with its electrical transmission and distribution system and the Wells Hydroelectric Project.

One or more firms may be selected for an interview based upon the following criteria categories: qualifications of key personnel; relevant experience as demonstrated on previous projects; previous performance; expressed interest in the project. The most highly rated firm will be selected for negotiations to provide professional services under a multi-year professional services agreement.

Firms desiring consideration shall submit a complete qualifications package adhering to the format guidelines as identified in "Request for Qualifications, Professional Archaeological and Cultural Resource Services, March 2010." Direct all questions on this request and to receive a guidelines packet please contact:
